- “I could not put *Shrouded* down. It had all the right things I want in a mystery novel, adventure, intrigue, and a driven, interesting female protagonist. Crispin is a role model for us all- persistent and smart as a whip. She made me keep turning the pages. Much like the Dan Brown books, “*Shrouded*,” gives us new insight into religion and its inner workings and it left me wondering and thinking about many aspects of the Catholic church. *Shrouded* is the kind of book that makes you just want more. I can’t wait for more of Crispin and her adventures.” —Katherine Moore, editor and ghostwriter
